

# ELIACELL

## UNIQUE CELL THERAPY AGAINST SOLID TUMORS

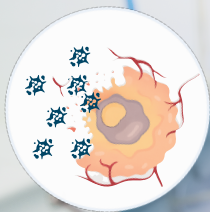

**Our Mission: xMACx - Macrophage Technology**

Macrophages with new proprietary biology  
for **real clinical breakthroughs**

Gene modified  
Human iPS Cells

**xMACx**

New therapeutic  
class

Antigen-independent

Strong anti-tumor  
activity

Platform potential

Fully scalable

# ELIACELL

Our USPs - Your Strategic Advantage

Outstanding team and  
R&D structure

Off the shelf product
